Fall 2023 Update

Proclaiming & Displaying The Gospel Throughout Vietnam

Let Your good Spirit lead me on level ground. Psalm 143:10

The Miles Family Heads to Vietnam

What a wonderful summer my family enjoyed as we returned to ministry activities in Vietnam. During our 7-week stay in June and July, we had five different mission teams join us to assist with very specific areas of ministry throughout the nation. As you will read, we encountered much trouble, and difficulties but the Lord blessed us in truly miraculous ways as we were able to carry out most of our planned activities in one way or another. We saw people give their life to the Lord, He met their needs, He encouraged pastors, and He allowed the ministries of our national church partners to flourish. Together we are doing it and to God be the glory!

The Springs Church Team

The Springs Church team from Jacksonville arrived shortly after we did and came ready to dive right in to ministry. We had prepared for week-long men's and women's events along with visiting several churches, to hand out food bags while sharing the Gospel.

Because of an unfortunate national situation, we were not able to visit all the

churches we had originally planned. Despite this major change in schedule, the ministry activities continued. We were able to bless 40 families with food bags in two different tribal churches in the central region and then another 25 families at one of our churches in the south.

We had planned a men's and women's event for about 60 pastors and leaders in Central Vietnam. While we were not allowed to conduct the event in person, the Lord directed us to have Ryan Hare and Gabriel Kyser teach online from the hotel room and to bring Pastor My's wife to our hotel so the women (Dawn Gauhan, Anna Adcock, Teressa Yancey, Jess Beman) could teach her their lessons --which they did until 11:30pm. Pastor My's wife shared these lessons with the women at the conference the following day.

Even though we could not meet in person for the conference, our team was permitted to join the church for one hour to have lunch. I asked

them what could we do to make the best use of our limited time with these pastors and leaders and everyone responded with the same answer. It was the exact same thing Jesus did with His last hour with all of His disciples before He was crucified. After sharing a word of encouragement, we washed the feet of everyone present. It was truly a special and memorable moment for us all.

Even though we endured some serious issues, we remained unified and joyful. This team encountered all that Vietnam had to offer for a Christian and left filled with a passion for the work being done here. Thank the Lord for The Springs Church, the team that came, and everyone who prayed and gave financial support. Lives were touched by the power of God and His Word during their time here in a way that will continue long after they have returned home.

Pastor Eoin O'Sullivan, Senior Pastor, The Springs Church

We were thankful to welcome Pastor Eoin and Johnathan Lowe to Da Nang. Pastor Eoin has been our pastor for almost 2 years now and is such a joy to know and work with. He is gifted in so many areas, and it was a honor to have him train our pastors in the south and in Central Vietnam on the topic of Biblical Leadership. The Lord totally met us in every one of those meetings and it turned into a special time of revival for us all. We also had an opportunity to visit 17 of our 43 churches, where we shared the Gospel, handed out over 400 food bags and blessed the pastors. His time in Vietnam was a special for this work and for me personally and the Lord used our time together to bless Vietnam for generations to come.

Judson Hatfield and Family

I am so thankful that 19 years ago I met a friend that would stick with me closer than a brother. Judson Hatfield has been on the board of this ministry from the beginning and has provided so much wisdom and discernment on how we do ministry. Yet above all, he has proven to be a true man of God and a dear friend to me and my family. To have him join us in Da Nang for three days and to see firsthand what God is doing was special. Sunday morning, we held worship services at our new ministry facility in Da Nang, and God touched all of our hearts. After the message the Lord led us to a time of prayer and we ended up praying over one another and for one another as we were in the presence of the Lord. Thankful for my brother and greatly blessed by this special friendship.

Dr. Bill Coleman and He's Alive Church Team

I met Dr. Bill Coleman about 14 years ago in Vietnam and I have been honored to be his friend since that time. He has been back to serve with us several other times, and each time it has been special. This time Dr. Bill brought a team of four - Pastor Jeremy, Britany, Bill, and Ms. Carrol. After 40 plus hours of travel, Dr. Bill Coleman and his team from He's Alive Church arrived. They were beat as you could imagine. Because Dr. Bill and He's Alive Church have journeyed with us for so many years, it was very important for them to visit the ministry house in Da Nang. We spent time going over the years leading up to that point as well as the call and vision from the Lord for the church plant and Bible Training center in Da Nang. We spent time praying there at the ministry house in Da Nang and the Lord truly blessed our time together

Ministry at the Orphanage

Dr. Coleman and his team not only joined us for ministry at the orphanage but provided all the funds needed for snacks and small gifts for all the children. We are so very thankful to the Lord for opening the door for us to do ministry at the orphanage in Vung Tau. The team and my family loved being with the children here and we were able to bless those running the orphanage with some needed supplies as well as bless each child with food, games in addition to the Gospel message. It was a very special moment not only to share this message of hope and love but then to pray over each and every one present.
