

PSALM67 Ministries

ESTABLISH • ENCOURAGE • EXTEND

One thing I ask from the Lord, this only do I seek: that I may dwell in the house of the Lord all the days of my life, to gaze on the beauty of the Lord and to seek him in his temple. Psalm 27:4

Pastor Hai Stateside

Pastor Hai and wife Tien sharing at The Springs Church while daughter Lien translates

Pastor Hai is an incredible man of God and has served as our Team Lead in Vietnam since the beginning. He oversees all of the pastors in our ministry and has seen the Lord move in many ways and in many places. In late 2023 Pastor Hai began to experience some serious health concerns and we wanted Pastor Hai and his wife to spend some time with us in the states so they could be encouraged and refreshed in the Lord. We had been in Vietnam in January so they returned with us and adapted to life here very well. They were even offered part-time work at The Springs Church as part of the cleaning crew and were greatly blessed by this opportunity to serve and interact with the Body of Christ. They returned to Vietnam in May and have settled in Da Nang to begin the work of opening The Springs Church/Da Nang. Pray for their strength and perseverance as they remain obedient to God's call on their life.

Training in Central Vietnam

Training and Evangelizing

We have been going through the book of Acts in our Pastor Training this year and these faithful servants of the Lord have really walked out these teachings. A team of pastors in central Vietnam have been conducting mission trips to rural areas to minister and to preach the Gospel. Pastor Lam, Pastor My, and Miss Son have been used by God in so many ways over the years. They have watched as the Lord has poured out His heart toward the Vietnamese people, especially in these tribal communities. Over a period of several weeks, this team visited all the tribal communities where we have established churches, coming alongside to encourage the pastors and leaders there as well as

assist them in witnessing to their community. While they are serving the Lord, they are also showing their fellow servants of the Lord how to grow God's Kingdom, plant seeds and celebrate the harvest. They have been able to reap much fruit along the way as many in these communities have given their heart to the Lord.

Evangelizing in the Tribal Highlands

Easter and Baptisms

The Easter season in Vietnam this year proved to be a special time of reaping a bountiful spiritual harvest. Several of our pastors had been witnessing a true move of God since the beginning of the year but during the weeks leading up to and following Easter, they experienced a definite outpouring of God's Spirit. Especially for Pastor Ninh, who, with his team, shared the Gospel with many during Easter resulting in eight people giving their life to Christ. Of those, three have already been baptized. Pastor A Suc and the churches in the Kon Tum area of the Central Highlands are continuing to flourish and have seen a great revival over these past four years. These tribal churches had the opportunity to baptize 18 new Believers in July. The Lord has truly blessed their ministry to these communities that are often lacking in basic needs such as clean water and adequate food.

Summer Ministry in Vietnam

We returned to the mission field as a family in late May and spent seven weeks there visiting churches and encouraging the pastors and leaders we work with through conferences, fellowship events and in-person trainings in two locations. We also participated in several community outreach events which were among the highlights of the summer.

Blessing widows in central Vietnam

widows to come down and surrender their life to Him. After the worship service, we traveled to some of the poorest areas in our tribal communities and blessed four widows at their homes. The poverty we encountered was heart wrenching, however, it did not stop the joy and smiles we received.

Pizza party with the orphans

Ministry to Widows and Orphans

Thanks to a generous grant from World Challenge Inc., we were able to conduct special outreach events to widows and orphans in the central and southern areas of this nation. In the central region, we blessed 26 widows from communities near our church and training center there. Each person received a large fan, a 25 lb bag of rice, food bag, mosquito netting and an envelope with cash for them to be able to purchase meat. This was a very special time of ministry as we prayed for them and shared with them the goodness of the Lord and His love and commitment to each one of them. The next day we invited 11 widows from the community to the worship services. After preaching a message from Psalm 27, the Lord touched four of the

In the south, we had the opportunity to go to two different orphanages with over 220 children and staff. The Lord blessed our time there in a tremendous way. We played games and provided a huge pizza party for lunch. At each orphanage, we left six 120 lb bags of rice and other food as well as hygiene and cleaning products. Every child received personal items, snack bags, toys and a gift. We shared the Gospel in both places and, during the time of invitation, over 14 teens and children responded to give their heart to the Lord. We are so thankful for our partnership with World Challenge that has a heart for blessing those so often overlooked, yet so precious in the eyes of our Lord.

The Springs Church Missions Team

The Springs Church Jacksonville has been our home church for over 11 years and has been a huge partner in this work. They sent a very special team to work with us for a week and despite several delayed flights, lost luggage and a 48-hour journey, they all arrived safe and sound. They had about three hours to rest before heading out to the highlands of Central Vietnam to begin their jam-packed week of ministry. Here is a quick snap shot of how God used them during their seven days of being in country with us. They visited 15 of our 44 churches; They prepared and presented Vacation Bible School in 2 different churches in the south for about 140 children; They assisted with the Orphan Outreach; They witnessed 48 people giving their heart to the Lord. God used them to be able to encourage so many including pastors, leaders and servants of the Lord.

Arrival of The Springs Church Team

Vacation Bible School

Vacation Bible School is such an important ministry in the life of the church and the best way to reach the younger generation. In the central region, Pastor My and his wife prepared a very special team of leaders and servants to visit and minister to our churches in this area. The Lord blessed this team tremendously as they conducted full days of VBS at each of our 22 churches in that area. Over 1000 children attended with 245 children giving their life to the Lord along with three parents. The Springs Church team helped us with VBS at

two of our churches in the south. The Lord totally blessed our time as our team ministered to the children through games, songs, and Bible stories. About 200 attended these events and after the Gospel presentation and invitation, there were over 30 professions of faith in Jesus Christ. In all, there were over 275 professions of faith in Jesus Christ across 24 national churches - Praise the Lord!

VBS in the central region reached over 1000 children

Looking Ahead - We will be busy this fall visiting churches and sharing about the Lord's work in Vietnam. If your church, small group or Sunday School class would like to learn more about the activities of this ministry, please reach out to us - we would love to come see you! Also, the Miles family will go back to Vietnam for three weeks in December - for the first time since 2018! We are so excited, we can't wait to share our plans for a big move of God this Christmas!

The Miles family- ready for a busy ministry schedule!
