*Your kingdom come Your will be done,
On earth as it is in heaven.*

Matthew 6:10

Praise Report Winter 2026

BUT GOD!! When you think about your life, and how you are where you are, do you just think, "BUT GOD"? I know when I think of my life and the work of the Lord through SALM67 Ministries I can only think "BUT GOD"! Our ministry's focus is on **Personally Encountering God** so that it leads to a **Public Display of His Love** so that **His Gospel can be Purposefully Preached** across that nations. In 2025, we watched as the Lord supernaturally opened doors that truly reflected His heart in Heaven. First off, in February, the Global Training Center opened. Located in the greater Jacksonville area, the GTC offers a college level curriculum in Christian education. Students gain extensive Bible knowledge with practical application. Several students have already established ministries of their own or have been sent out to minister in under-staffed rural churches to preach, lead worship and assist with special events during VBS and Christmas. The Lord is truly blessing this work.

Throughout Vietnam the same things were taking place. During the summer months for the first time in the history of our ministry, we held a conference in Da Nang for 130 pastors and church leaders, representing 45 churches. We also held a similar conference for 175 pastors and leaders in the Me Kong Delta, which kicked off our newly-established relationship with the 13 churches there. Truly our prayer has been for the Lord's Kingdom to come and His will to be done on earth as it is in Heaven, and 2025 had times where this truth was tangible.

GTC Students Feeding the By-ways and a Fall Revival on the Outskirts of Jacksonville

Each one of the students in our Global Training Center has a call of God on their life and they are being obedient to that call. What a blessing it has been to witness the tremendous growth the students have experienced, not only by expanding their knowledge of God's Word but by their desire to live according to God's Heart - that none should perish but come to salvation through knowledge of Him. To that end, several students have been sent out to preach at churches across North and Central Florida, with three receiving licenses into the ministry.

GTC students Jacob Smith (l) and Bo Duncan (r) are among those serving the by-ways across rural Florida. They teach, preach, share about the work in Vietnam, serving with integrity and a heart for the things of God.

Dr. Shaun conferring licensure onto Pastor Jay Parker, of "No Longer Bound Ministries" (l). Pastor Jay also hosted a long prayed-for revival last fall (center). Fellow GTC member, Pastor Mattan poole (r) preached one night as did Dr. Shaun. These three nights of ministry were a wonderful time in the Lord for all but especially the GTC students, who were given the opportunity to encourage others while also being encouraged themselves.

Visiting Churches and A Conference in Dallas

The Miles family was on the road almost every weekend last year, visiting current partner churches and establishing relationships with some new congregations, across Florida, Georgia and even into North Carolina.

Dr. Shaun sharing about the Backpack Ministry

At the end of October, Dr. Shaun and Lien traveled to Dallas to share about this work at a conference hosted by long-time friend and Brother-in-Christ, Pastor Hung Tran. Pastor Hung played a vital role in encouraging Dr. Shaun to go to Vietnam for the first time and has been a faithful supporter and encourager of this work from the beginning. The Lord touched his heart to host the first ever SALM 67

Banquet there, and it was very special. We are so thankful for all the delicious food, beautiful décor, the hard work and the wonderful people that joined us.

Sharing about the ministry at The Bridge Church, Venice, FL (l) and Dr. Shaun preaching at Crossroads Baptist Church, Social Circle, GA (r)

Last year we were very thankful to be able to visit so many churches in order to share what the Lord is doing through this ministry and to preach the Word of God.

Our partners and partnering churches are truly the heartbeat of this ministry for you represent the love and generosity of our Lord.

Thank you!

Love and blessings,
Dr. Shaun and Liën Miles

On the Mission Field in November

The Miles family returned to Vietnam for three weeks in November. Our schedule was as busy as ever between hosting a Mission Team, blessing two orphanages with early Christmas celebrations, conducting training in the Me Kong with our newest group of partner churches there, handing out backpacks to school children and preparing and encouraging the pastors and churches across the nation for their upcoming Christmas outreach events.

In the middle of November, we welcomed a team from North Carolina: Dr. Lon Chenoweth and his wife, Kay, Pastor Matthew Mills, Pastor Steve Chastain and Pastor Scott Huffman. We connected with Dr. Lon back in 2024, at the suggestion of a mutual friend. Dr. Lon is a pastor and oversees the Sandy Run Baptist Association. In our very first conversation, it became apparent that this was a divine appointment. One of his first questions, upon hearing of the work in Vietnam, was "My mentor and hero in Bible College served in Vietnam during the war. Have you ever heard of Walter and Pauline Routh?" As the work of Walter and Pauline Routh was the inspiration for SALM67 Ministries, we were overwhelmed by seeing how God's hand is constantly upon the work of this ministry. It was decided that Dr. Lon would bring a team to work in some of the areas where the Routh's ministered. The team was kept very busy between special training sessions with our pastors and leaders, blessing widows with needed food bags and children with early Christmas gifts in addition to helping us pass out nearly 1800 filled backpacks to school children in the central area and Tribal Highlands.

Left to right: Pastor Matt praying over pastors in Kon Tum after handing out Christmas gifts; Mrs. Kay leading a women's fellowship; Distributing food bags to widows in need; Dr. Lon teaching on the book of Jude. In all, the team helped pass out 200 food bags, 400 Christmas gifts and witnessed 17 decisions for Christ, while encouraging hundreds.

Backpack Ministry to Schools

This year we handed out more backpacks than ever before and we are so very thankful to all of you who prayed and gave to make this happen. Every one of the nearly 1800 backpacks were hand crafted and filled with warm jackets, hygiene items, toys, snacks, and school supplies. We visited two schools in the central region and five schools in the Tribal Highlands of Kon Tum. At each school, we saw the Lord do something special. This outreach requires a lot of resources, financial as well as man power, in order to buy the items, fill the bags and send out to the areas prior to our arrival. To be able to stand before the local government officials, the school staff, the students and parents and share the message of God's love for each and every one of them makes all this effort totally worthwhile.

Christmas at the Orphanage

We were so thankful to be able to provide Christmas for two different orphanages with nearly 300 children and workers. We currently provide monthly support to these two places through our partnership with World Challenge, but Christmas is a special opportunity to make these kids feel loved. At the Canon Land Orphanage, we had a wonderful celebration with songs, the Gospel presentation, a happy birthday Jesus cake, and gifts for each child. It's not possible to express in words how special it was to watch these children, who have gone through so much, laugh and play like children. We were also blessed to hold another Christmas party at the school for orphans. Nearly 150 children with staff received the blessing of gifts, toys, a KFC catered lunch and the message of the Gospel. We love all these kids and the workers that keep them moving forward in life. The absolute joy it brought to them as well as to us is unspeakable. To hear them open their gifts is like an eruption of joy that no sound on earth can match. Thankful for the love of God and the hope that is found only in Jesus.

Training Highlights and Christmas In Vietnam 2025

Vietnam's weather in the fall can be quite a challenge. During our October training for the pastors in central Vietnam, the rainy season had produced so much flooding that many could not travel to gather in person as they typically do, so our Zoom classroom was unusually large. In fact, several had to leave during the class to move themselves and their belongings to higher ground as water was entering their homes. But, they rejoined as soon as they could. In spite of the weather, the pastors and leaders continue to seek and sit with the Lord. It's amazing how the Lord has used our time together to encourage and strengthen them in the midst of hardship.

While there in November, we conducted the first Bible Training class in person for our newest group of pastors and leaders in the Me Kong Delta. These 50 dedicated servants of the Lord are so hungry for this knowledge because they know it will allow them to reach their communities for Christ. The Lord truly met us during these three days and we know His hand is upon them going forward.

Christmas at the Churches

While in the Me Kong for training, we kicked off Christmas at the Churches with an outreach event attended by over 500 people. There is so much need in this region but we see that God is on the move because there were at least 60 professions of faith in Christ. A wonderful meal and time of fellowship followed, then we handed out one hundred food bags to widows and needy families.

Outreach in Hanoi

This past Christmas season, 42 of our partner-churches hosted Christmas outreach events, across the nation.

In the Hanoi area, Pastor My's son in law, who is a pastor, held a Christmas event where about 140 were in attendance and 12 prayed to receive Christ.

The Christmas outreach at our main Quảng Ngãi church had over 80 attendees with 13 praying to receive Christ as Lord.

In the Highlands of Central Vietnam, where Pastor Quang and his wife hosted their Christmas outreach with over 80 in attendance and 11 praying to receive Christ Jesus.

Pastor Hai traveled to an island in the Mekong Delta where five outreach services were held, with over 103 committing their life to the Lord.

Near the ocean at Pastor Hanh's church, there were about 55 in attendance with 10 praying to receive Christ Jesus.

Pastor My's son, Jonah had heard about a Christian movie being aired for the first time in Vietnam (King of Kings), and he felt led by the Lord to rent out the entire theatre in Quảng Ngãi and give a Gospel presentation afterwards. Over 125 people attended, including 50 or so non-believers. When he invited people to pray to receive Jesus, he asked them to stand where they were and pray. But several felt led to come forward near the screen so about 15 people ran down front and prayed to receive Christ while many others prayed at their seats.

In the Kon Tum highlands at Pastor Đình Poa's church, they held their outreach and about 700 were in attendance with at least three publicly committing their life to Jesus Christ.

Pastor Ninh in the south held his Christmas outreach at the church on Christmas Day. They were blessed with over 90 in attendance and five prayed to receive Christ as Lord.

We are so thankful for all of you who have given and prayed for these Christmas events - they would not have been possible otherwise. We started them in November, and they ran all the way until the first of January. The Lord has truly done some amazing work: Since our outreaches began in November, over 10,500 people heard the gospel in churches, movie theaters, orphanages, open fields, seven public schools, government offices, houses and coffee shops and of those, 385 surrendered their lives to Jesus! It is truly incredible what God can use for His glory. Again, a heartfelt "Thank You" to you all - for your generous gifts, prayers and support that is allowing this Gospel to go forth across this nation.

Miles Family Update

Dr. Shaun directs all the training, discipleship and outreach programs of SALM67 Ministries as well as the SALM67 Ministries Global Training Center in Middleburg, Florida. He also serves as the head pastor of The Bridge Church, located in the Orange Park/Jacksonville area. This newly established church, formed around the Lord's command to "Go and make disciples" is looking to fully launch later this year.

Liên serves as the main liaison and translator with our partner churches throughout Vietnam as well as coordinates the outreach programs to the two orphanages this ministry supports. She assists with other ministry activities as needed, while also managing the household with two active boys. Shaun Fisher is almost 10 and loving 4th grade and Daniel Hai, almost 7, is thriving in 1st grade. The boys love to serve alongside of their parents, sharing the Gospel and praying for those in need. Everyone is healthy and the boys are growing in the Lord - and we thank God for all His blessings.
