

The Spirit of the Lord God is upon me, because the Lord has anointed me to bring good news to the poor; He has sent me to bind up the broken-hearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound. **Isaiah 61:1**

A REPORT FROM THE FIELD

Faithful Workers Fruitful Ministry

Across Vietnam, the pastors and workers that your generosity supports are pressing forward with remarkable faithfulness — through floods, hardship, and opposition — and the fruit of their labor is evident everywhere you look.

Quang Ngai Province
Pastor Nhet, Gideon Baptist Church

In one of the most remote and challenging regions of the country, **Pastor Nhet** of Gideon Baptist Church travels up to 20 km over flood-prone roads just to reach his congregation. During the rainy season, those roads become impassable, and there have been Sundays when floodwaters rose so high that Pastor Nhet could not cross — leaving him no choice but to call his believers and ask them to open the church and gather without him. Despite crop losses, storm damage to his home, and conditions that would discourage most, he remains steadfast. He recently sat for his pastoral ordination exam and continues visiting, praying for, and caring for believers facing hardship.

Not far away in Quang Ngai, **Pastor Vo Thanh Viet** of Gia Du Baptist Church is also seeing the Lord move. During the Christmas season, 20 people attended the church celebration and 2 prayed to receive Christ. On December 28, the church organized a Gospel film event for friends and teenagers — and while standing outside the theater, Pastor Viet led a staff member to faith on the spot, following up with a Gospel tract and connecting her with a local church for continued discipleship. A new cell group has since launched in Binh An village, with 2 families and 5 believers now meeting weekly for Bible study.

Pastor Ninh, Unreached Peoples Outreach

Your support is also fueling extraordinary fruit through **Pastor Ninh**, who has had a remarkable year — sharing the Gospel with 30 people who prayed to receive Christ, adding 7 new members to his church, and actively preparing to plant churches among two unreached peoples, the Tai and Chau Ma communities. His commitment to discipleship runs deep as well, having taught 30 students through a leadership curriculum, trained over 100 leaders in church-planting methods, and now launching a new course for 35 additional students. One story from his ministry captures it all: a terminally ill woman received Christ on her deathbed and passed away within a week. Though her own children chose a Buddhist funeral, the Gospel did not stop there. Her son-in-law Tung, his wife, and their children came to faith, removed every idol from their home, and are now actively serving in a local church. God redeemed even the grief.

Pastor Lam is seeing equally remarkable results. In 2025 alone, 100 people came to faith through his ministry. He leads two weekly Bible study groups and is prayerfully pursuing two communities for future church plants. The story that best captures his ministry began at a coffee shop, where he met a man crushed by gambling debt — having sold two houses chasing lottery winnings and lost everything. Pastor Lam shared his own story of redemption, and after several conversations, the man surrendered his life to Christ. He then brought his nephew and wife to faith as well. Within three months, the entire family was in church, their idols removed, and their walls decorated with Scripture and a cross.

Pastor Johah To - NextGen Outreach

Meanwhile, **Pastor Jonah To** is covering ground across the entire country. After relocating to Da Nang in response to God's calling, he launched outreach across four universities, building relationships with students and opening doors for future discipleship. He is also mentoring young believers online in Ho Chi Minh City, where small groups are already bearing spiritual fruit. In Da Nang, meaningful one-on-one ministry is flourishing — Jonah began an online Bible study with Huy Tu, a young man sincerely seeking transformation through Jesus, and walked alongside Van Ly, a young mother who had drifted from faith for three years, helping her see that God's love had never left her. Beyond Da Nang, Jonah joined Pastor Hai in the mountains of North Vietnam, where together they led a three-day conference, distributed nearly 40 food bags to widows and families in need, and saw 15 people surrender their lives to Christ.

From remote villages to university campuses, from coffee shop conversations to mountaintop conferences — God is moving across Vietnam through faithful workers like these. Your support makes every step of it possible and we thank you for your faithful giving.

Pure and undefiled religion in the sight of our God and Father is this: to visit orphans and widows in their distress, and to keep oneself unstained by the world. **James 1:27**

The stories below are more than a report — they are a testimony to God's goodness to His people. From the mountains of Vietnam to the snow-covered hills of Colorado, God is moving through faithful people and your generosity is at the heart of every story.

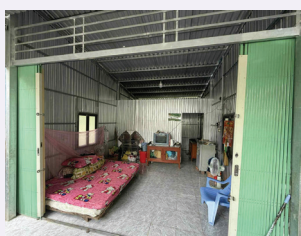

ORPHAN MINISTRY – VIETNAM Nearly 300 — and Growing

enjoying a new kitchen and dining area, along with major renovations to the living areas. This orphanage opened in 2013, when Mrs. Mai and her husband stepped out in faith, taking in 23 homeless Hmong children who had been foraging in the wild with no parents, no shelter, and no education. When funding collapsed, the children refused to leave — they fasted, prayed, and God provided. What began with 23 has now grown to 130 children, loved and cared for by strong believers. Their courageous obedience, combined with your faithful support, is proof that when the light of Christ shines, darkness cannot remain.

Through our partnership with **Pastor John Bailey** and **World Challenge**, your generosity is transforming the lives of nearly 300 children across three Vietnamese orphanages. One of these facilities will soon be

WIDOW MINISTRY – MS. PHUONG'S STORY — Dignity Restored

Your generosity is restoring dignity and hope to the most vulnerable. **Ms. Phuong** lost her husband and, in the years that followed, lost her home. Through it all she remained faithful — serving her church through cleaning and preparing for services even while facing homelessness. When the structure she sheltered in was condemned, the Lord moved — through our partnership with World Challenge, we were able to fund a safe, permanent home for her. In her own words, before Christ she was "sick, hungry, and homeless," but God answered through faithful people. Beautifully, this home will continue blessing widows in need long after Ms. Phuong is gone — a legacy of mercy that keeps giving.

MEKONG DELTA BIBLE TRAINING Hunger for the Word

What is happening in the Mekong Delta is nothing short of remarkable. Over 80 students from 13 different areas gathered for a full week of intensive training in Bible Interpretation and Study Methods — and the hunger in the room was undeniable. Sessions ran past 3 AM every night, yet the students kept going, completing homework and group projects after each teaching. This generation is desperate for the Word of God, and your support is meeting that hunger head-on.

WORLD CHALLENGE — COLORADO SPRINGS Holy Ground Moments

This past March, the Miles family visited **World Challenge Headquarters** in Colorado Springs — a long-awaited gift. They toured facilities steeped in the legacy of Pastor David Wilkerson, attended a conference, and Dr. Shaun shared a devotion with the incredible behind-the-scenes staff. They fellowshiped with **Pastor Gary Wilkerson** and his wife and **Pastor John Bailey** gave the family a day in the snow — a Holy Ground moment that will be forever etched in their hearts as well as a simple, holy reminder that rest and time with one's children is not a retreat from ministry. It is ministry.

The need is great, the workers are faithful, and God is moving. Will you stand with us? Every gift — of any size — sends the Gospel further, reaches those hurting, and restores another life. Be part of what God is doing in Vietnam because together we are doing it!
